Fine Tailored Suits for Women

THERE is a New York tailor who closely approaches Francis of Paris in the stately elegance of his gowns. He has customers in Europe—but Golf Capes at Reduced Prices. Tailor-made Suits Reduced. you don't care about that.

He furnishes much of our more elegant stock -the suits selling up to \$85. Well, his model garments came to us last evening—a hundred and tion is peculiar, everybody is fifty of them. Wanamaker Linens===Arrivals

Over in Ireland where the peasantry take up embroidery and certain Bargain Store News lace work as naturally as birds take up nest-building, we have had very Hosiery pretty Doilies produced. Centre is of pretty damask; edge, to the width of two inches or more, is of hand-made lace. You wonder how the work comes so cheap, till you know that such work is "farmed out"-linen maker sends his order and his materials to cottagers. One neighborhood does one stitch, another does a different-each the same that their greatgrandmothers did. They can make lace or embroidery "by heart."

These doilies are large size, for fruit tray or the larger dishes round, 60c, 75c, \$1 each oval, 75c, \$1 and \$1.50 each And this merely hints of the fancy linens.

Men's Suits at Ten Dollars

Last Saturday we said we'd begin ending certain popular styles of men's suits by grouping the limited lots of many \$13.50 and \$15 kinds and marking them ten dollars. There has been large selling—but the stockman gains courage as he goes along, and new lots are added. Business Suits.

We sell boys' clothing from the latest safe grade to the highest sensible grade—playtime suits and the most dressy of suits—and overcoats. For instance—
